

 **Liferaft Rescyou™ Pro for yachting 4-8 Pers.**

RescYou™ Pro top of the range leisure liferaft for 4-8 pers. voted best in several independent tests. It is the ultimate liferaft for all types of yachting and the perfect choice for open ocean sailing. The first self-righting liferaft on the market, it always rights itself ready for boarding, no matter how it lands in the water. It features generous space and headroom while the inflatable double floor works as a good insulation from the cold ocean - a feature that reduces the risk of hypothermia. Large ballast bags keep the liferaft stable in the water, helping to prevent capsizing in very heavy seas. Comes in a container or a valise.

Product code: 1213101100

VIKING RescYou™ Pro liferaft is both ISO9650-1 Group A certified, ISAF approved and third party verified by DNV.

**Special features:**

- Fluorescent yellow canopy enhances visibility from a distance;
- Two separate buoyancy chambers each capable of supporting maximum capacity;
- Four 55 liter weighted ballast bags for stability in heavy seas;
- SOLAS high-visibility retro-reflective tape on canopy, sides buoyancy chambers and under the liferaft;
- Automatic SOLAS/USCG exterior strobe light and interior light;
- Internal and external lifelines;
- Rain water collector;
- Base material of strong, yet flexible, natural rubber;
